

Acute and Chronic Health Effects of Pesticide Exposures

by Marion Moses M.D.
Pesticide Education Center

Table of Contents

Chapter 1	Introduction and Overview	1-6
	History, Manufacturing , Registration, Labeling, Use.	
Chapter 2	Exposure	7-23
	Formulations, Agricultural and Commercial Occupational Exposures	
	Home and Garden Exposures, Drift, Biomonitoring	
	Protective Clothing, Laundering	
Chapter 3	Acute Effects	24-48
	Acute Toxicity, Allergic Dermatitis, Systemic Poisoning, Asthma	
Chapter 4	Children and Pesticides	49-63
	Exposure, Biomonitoring. Acute Poisoning, Asthma, Cancer	
Chapter 5	Chronic Effects - Cancer in Adults	64-83
Chapter 6	Chronic Effects - Reproductive System	84-105
	Spontaneous abortion, Stillbirth, Infertility, Sterility	
	Reproductive Tissue Levels Pesticide Residues	
Chapter 7	Chronic effects -Neurological	106-116
	Nerve Conduction Velocity, EEG and Evoked Potentials,	
	Vibrotactile thresholds, OPIDN, Parkinson's Disease	
Appendicies		
	A. Inert Ingredients in Current Products	117
	B. Pesticides Banned in the U.S.	118
	C. Organophosphate Dialkylphosphate Metabolites	119
	D. USEPA Acute Toxicity Categories	120
	E. Cholinesterase Testing	121
	F. Explanation of Tables	122-123
	G. EPA Pesticide Carcinogenicity Classification	124-125
	H. Teratogenic Pesticides	126
