

## **Farmworker Justice Partners**

The nature of our work involves building coalitions and networking with a broad array of organizations and experts in several fields. Our partners include:

- **Farm labor unions:** the United Farm Workers, Farm Labor Organizing Committee, and PCUN (Oregon's farmworker union)
- **Other labor unions:** the AFL-CIO, Change to Win, the United Food and Commercial Workers International Union, and Labor Council for Latin American Advancement.
- **Environmental organizations:** Pesticide Action Network North America, Natural Resources Defense Council, and Earthjustice.
- **Nonprofit advocacy groups:** National Council of La Raza, National Immigration Forum, Leadership Conference on Civil Rights, Oxfam America, California Rural Legal Assistance Foundation, National Center for Farmworker Health, National Farmworker Ministry, Public Citizen, the National Employment Law Project, National Immigration Law Center, and the North Carolina Justice Center.
- **Community-based organizations:** Centro Binacional de Desarrollo Indigena Oaxaqueno, Fresno, California; Lideres Campesinas de California; Campesinos sin Fronteras, Somerton/Yuma, Arizona; Farmworker Association of Florida; Comite de Apoyo para los Trabajadores Agricolas (NJ/PA/MD); Idaho Community Action Network.
- The Network of Community Health Centers and the Farmworker Health Network.
